It's been in the eblasts from both CD14 and BBB for about a month, there is a Facebook event page for it, we've tweeted about it, and a mailer was done to all Broadway property owners. Sorry you didn't get it through one of those numerous avenues.

It's a workshop to introduce the (now final and in effect) ordinance to the public. Hope you can make it - it would be good to have some of the people who created the policy there to discuss it, especially if there are media inquiries, which we can never predict.

Thanks!

Hi Jessica,

This is the first I'm hearing anything about it. Sorry I wasn't able to make it to the most recent Broadway Committee Meeting - I'm sure it was mentioned there.

In case others are in the dark on this too, could you send us more info on what it is?

Thanks,

Ari

Hi there - since you all were integral in developing the policy, I wanted to check and see if you're planning to attend the Broadway Sign District thing tomorrow at the Palace (6pm, Wednesday May 4)

Please let me know!

Thanks,
Jessica
